SWALLOWFIELD

KDC/ONE Swallowfield Quality Policy

KDC/ONE Swallowfield is a market leader in the development, formulation and supply of personal care and beauty products, since our origins in 1876.

Services include market analysis; design, formulation and testing of products; packaging design and sourcing; manufacture of medical device products; distribution and stock management.

The products that KDC/ONE Swallowfield produces for its clients are likely to be found in many homes.

KDC/ONE Swallowfield is fully committed to supplying safe and legal products, meeting or exceeding our customer's requirements through our quality management activities.

We aim to supply products that fully comply with:

- Customers own specifications.
- KDC/ONE Swallowfield specifications.
- Any other specification or regulations that may be applicable to the product under consideration.

We will establish and review business and quality objectives through our Vision, Mission and Values that are customer focussed and committed to Building a Better KDC/ONE Swallowfield.

We are committed to complying with requirements of the certification standards listed in our quality manual and to maintain the effectiveness of the quality management system.

We will train and develop our workforce to achieve these goals.

We will ensure buildings, equipment, machine infrastructure is compliant with regulations, customer expectations and certification requirements.

We will review this policy annually to ensure it complies with changing standards, legislation, technology and emerging concerns.
